Sumire Yakitori House have opened their very first outlet in Singapore, at Bugis Junction.

Sumire is an established Yakitori restaurant in Tokyo, serving authentic yakitori, homemade tamagoyaki and clear chicken broth ramen at reasonable prices.

Unique limited edition fashion

14,894 people like GreatNewPlaces.

Their Chefs/Managers have undergone an authentic Japanese training before setting up the restaurant.

Their menu has a range from alcoholic/non-alcoholic drinks, appetizers, salads, chicken/unique skewers, Agemono (fried item), Rice, Udon, Ramen and Desserts.

"Sumire" comes from "smile", pronounced as "Su-Mi-Le" in Japanese. As their aim is, of course, to bring a smile to everyone who steps into their restaurants.

#01-88/89 Bugis Junction, 80 Middle Road
